Re: **T05-0051**

Dear Mr. Lazarides:

Pursuant to the Commission's order dated July 12, 2006 in the above-referenced docket, Illinois Central Railroad Company ("IC") advises the Commission that IC's point of contact for this docket is:

John Henriksen
Manager Public Works
Illinois Central Railroad Company
17641 South Ashland
Homewood, Illinois 60430
Phone: (708) 332-3557
Fax: (708) 332-3514

IC has already conveyed the easements for the project to be completed. Besides the required financial contributions, IC plans on clearing the Center Street ditch from approximately 168th Street where the diagonal ditch meets Center Street, north to the Cal-Union ditch by December 31, 2006 as required by the order.

Please contact me if you have questions.

Very truly yours,

Michael J. Barron, Jr.
Attorney for Illinois Central Railroad Company
